

**DHS-FEMA Nebraska Task Force 1
Lincoln Fire and Rescue
K9 Recruitment Program**

Please share the following information with your club members or clients:

DHS-FEMA Nebraska Task Force 1 is currently recruiting potential new handlers. We are a federally funded Search and Rescue K9 Team tasked with search capabilities for locating live, trapped victims at federal, state, or local designated disasters, both natural and manmade. The dogs are responsible for pinpointing the exact location of buried victims for rescue personnel.

Our K9 teams must pass rigorous federal standards to be deployable for disasters. NE-TF1 will provide the necessary skills training to each handler to meet the standards and achieve federal certification.

We are seeking physically fit individuals who have an avid interest in volunteer work and some level of experience in training dogs. You do not need to currently own a dog to apply for this position. We will help each individual who passes our program obtain a suitable canine for this work.

The Nebraska Task Force 1 K9 team is based in Lincoln, NE.

Informational Meeting/Recruitment Process

When: April 14, 2007 and April 21, 2007

Where: NETF Logistics Center

2600 Park Blvd, Suite 3
